

Short biography & CV

Although Véronique is born in Luxembourg, she has spent the vast majority of these last years evolving her artistic skills abroad.

After graduating with distinction from the well-known school of photography "Le 75" in Brussels, Véronique continued her studies in Fine Arts at the Marc Bloch University in Strasbourg, where she achieved her Masters degree in 2005.

In 2001, Véronique received an advancement award by the "Centre National de l'Audiovisuel", which released her monographic publication "Reflections".

From 2001-2010, she has exhibited in Europe, the United States, India & China.

Véronique lives in Bourglinster / Luxembourg, where she works as an independent photographer.
